

#### IV. Implementation Schedule:

Acronyms for cooperators are as follows:

- BWSR: MN Board of Water and Soil Resources
  - DNR: MN Department of Natural Resources
  - NRCS: Natural Resources Conservation Service
  - SWCD: Grant Soil and Water Conservation District
  - GC: Grant County
  - DLM: Department of Land Management
  - FSA: Farm Service Agency
  - TWP: Townships
  - LA: Lake Associations
  - GSW: Grant County Solid Waste
  - MPCA: Minnesota Pollution Control Agency
  - MDA: Minnesota Department of Agriculture
  - USFWS: United States Fish and Wildlife Service
  - BDSWD: Boise de Sioux Watershed District
  - GCHWY: Grant County Highway Department
  - SG: Sportsman's groups ie. Ducks Unlimited, Pheasants Forever etc.
- Potential Funding – NRBG stands for projects/programs funded in part by Local Water Management program grants and funding.

| Implementation Schedule 2005 to 2010  |                  |           |                                  |          |
|---|------------------|-----------|----------------------------------|----------|
| Priority 1 – Contaminated runoff  |                  |           |                                  |          |
|   | Cooperators      | Cost      | Potential Funding                | Duration |
| <b>Objective A Encourage and promote urban and agricultural land use practices to protect surface water</b> |                  |           |                                  |          |
| Actions   | SWCD, NRCS, FSA, | \$250,000 | NRBG,BWSR,FSA,NRCS,SWCD,BDSWD,SG | 2005-10  |
| 1   | TWP,DLM,GC,SG    |           |                                  |          |
| 2   | SWCD,NRCS        | \$75,000  | NRBG,BWSR,NRCS,SWCD,BDSWD        | 2005-10  |
| 3   | SWCD, DLM, MPCA  | \$10,000  | SWCD,NRBG,BWSR,MPCA              | 2005-10  |
| 4   | DLM,LA,MPCA      | \$100,000 | DLM,MPCA,LA                      | 2005-10  |
| 5   | NRCS,SWCD,MPCA   | \$50,000  | NRCS,MPCA,SWCD,BWSR              | 2005-10  |
| 6   | GSW,MPCA,MDA     | \$5,000   | GSW,MDA,MPCA                     | 2005-10  |
| 7   | MPCA,SWCD,LA     | \$5,000   | SWCD,NRBG,MPCA,LA                | 2005-10  |
| 8   | MPCA,SWCD        | \$5,000   | MPCA                             | 2005-10  |
| 9   | MPCA,SWCD,LA,SG  | \$100,000 | DLM,SWCD,NRBG,DNR,MPCA,LA,SG     | 2005-10  |
|   |                  |           |                                  |          |
|   |                  |           |                                  |          |

Total Cost: \$600,000

| Implementation Schedule  |                              |           |                          |          |
|--|------------------------------|-----------|--------------------------|----------|
| Priority 2 – Runoff Volume   |                              |           |                          |          |
|  | Cooperators                  | Cost      | Potential Funding        | Duration |
| Objective A: Improve stormwater runoff quality and reduce quantity by increased utilization of stormwater management practices throughout the County |                              |           |                          |          |
| Actions  |                              |           |                          |          |
| 1  | GC                           | unknown   | Ditch systems            | 2005-10  |
| 2  | Same as action one above     | NA        | Same as action one above | 2005-10  |
| 3  | Same as action one above     | NA        | Same as action one above | 2005-10  |
| 4  | DLM,SWCD,BWSR                | \$200,000 | BWSR,GC,SWCD,DLM         | 2005-10  |
| 5  | BDWSD,GCHWY,TWP              | unknown   | BDWSD                    | 2005-10  |
| 6  | DLM,LA,DNR,SWCD,SG           | \$10,000  | NRBG,DNR,MPCA,LA,SG      | 2005-10  |
| 7  | DLM,SWCD,MPCA                | \$50,000  | NRBG,DLM,GC,MPCA         | 2005-10  |
| 8  | SWCD,NRCS,USFWS,DNR,GC,BDWSD | 0         | BDWSD,GC                 | 2005-10  |
| 9  | SWCD,MPCA,DLM                | \$5,000   | NRBG,MPCA,BDWSD          | 2005-10  |

Total Cost: \$265,000

| Implementation Schedule  |                   |          |                      |          |
|--|-------------------|----------|----------------------|----------|
| Priority 3 – Shoreland Management and Surface Water use  |                   |          |                      |          |
|  | Cooperators       | Cost     | Potential Funding    | Duration |
| Objective A: Initiate process to reclassify lakes or portions of lakes and clearly define and map sensitive areas. |                   |          |                      |          |
| Actions  |                   |          |                      |          |
| 1  | DLM,SWCD,DNR,LA   | \$50,000 | NRBG,GC,LA,BWSR,DNR  | 2005-07  |
| 2  | DLM,DNR,LA,TWP    | \$25,000 | DLM,DNR              | 2005-09  |
| 3  | SWCD,DLM,LA,DNR   | \$25,000 | DLM,DNR              | 2005-09  |
| 4  | DLM               | \$20,000 | DLM                  | 2005-09  |
| 5  | SWCD,DLM          | \$5,000  | GC,DNR,NRBG          | 2006     |
| 6  | DLM,SWCD          | \$45,000 | GC,DLM,SWCD,DNR,NRBG | 2005-07  |
| 7  | DLM,TWP,DNR,SG,LA | \$10,000 | DLM,NRBG,SG,DNR      | 2005-06  |
| 8  | DLM,GC,TWP        | \$5,000  | DLM,GC               | 2005-07  |
| 9  | DLM,GC,TWP        | \$5,000  | DLM,GC               | 2005-07  |

| Implementation Schedule   |                        |          |                        |          |
|---|------------------------|----------|------------------------|----------|
| Priority 3 – Shoreland Management and Surface Water use   |                        |          |                        |          |
|   | Cooperators            | Cost     | Potential Funding      | Duration |
| Objective B: Initiate process to reclassify lakes or portions of lakes and clearly define and map sensitive areas.          |                        |          |                        |          |
| Actions   |                        |          |                        |          |
| 1   | DLM,SWCD,DNR,LA,SG     | \$10,000 | NRBG,GC,LA,BWSR,DNR,SG | 2005-10  |
| 2   | DLM,DNR,LA,TWP         | \$25,000 | DLM,DNR                | 2005-10  |
| 3   | DLM,LA,DNR             | \$25,000 | DLM,DNR                | 2005-10  |
| 4   | DLM                    | \$25,000 | DLM                    | 2005-10  |
| Objective C: Identify and prioritize selected shallow lakes for accelerated fish and wildlife habitat protection activities |                        |          |                        |          |
| Actions   |                        |          |                        |          |
| 1   | DNR,DLM,SWCD,SG,GC,TWP | \$50,000 | DNR,USFWS              | 2005-10  |
| 2   | DLM,DNR                | \$5,000  | DNR,USFWS              | 2006     |
| 3   | DLM,DNR,SWCD           | \$10,000 | DNR,NRBG               | 2005-10  |
| 4   |                        |          |                        |          |
| 5   |                        |          |                        |          |

Total Cost: \$340,000
